Welcome to S&B Automotive Academy. I hope your learner journey with us is one you'll remember for many years to come.

Your Handbook will help you with what is available to you, contact and support details and general day-to-day things when on site. Please keep it in a safe place so you can refer to it throughout your apprenticeship. If anything's unclear, please speak with your tutor or the onsite welfare team who can help with any questions you have.

We pride ourselves on our friendly, supportive, and customer-focused service. During your time with S&B our Safeguarding and Wellbeing team will be on hand if you need any help or information.

You're joining a community that's like a family. You can help us to maintain this by caring about yourself and others on site.

Finally, to ensure the smooth running of our community, there must be some rules. We've outlined these in your Handbook. Please ensure you understand and follow these.

On behalf of the team at S&B Automotive Academy, we look forward to welcoming you and wish you every success with your apprenticeship .
